

Strategic Planning RFP

About First 5 FUNdamentals

Founded in 2008, First 5 Fundamentals (F5F) is a nonprofit organization with a mission to uphold community initiatives in achieving their collective goals for children and families. Our expertise includes mobilizing funding, providing staffing and management to projects and initiatives, strengthening community partnerships, marketing, research & data, and building public will. Currently, F5F supports four geographic initiatives: Pierce County Early Childhood Network (PCECN), Washington Communities for Children (WCFC), Northwest Early Learning Coalition (NWEL), and Visions for Early Learning (VEL). Key projects in Pierce County include the Child Care Capacity Initiative, the PCECN Diaper Bank Network, and Family Connects Pierce County.

ACTIVITIES

In deep collaboration with board, staff, and key stakeholders:

- Review Mission, Vision, and Values of F5F through a collaborative process
- Gather input from key stakeholders
- Assess organizational strengths, weaknesses, and opportunities
- Establish organizational direction and goals
- Review internal processes and procedures
- Conduct implementation planning based on strategic planning outcomes
